

ABOUT ME

My name is Dzhenyo Dzhenev, a designer, with education in bachelor degree "Advertising" and master degree "Design of electronic publications and websites". I'm located in Sofia, Bulgaria.

I do user interface designs for websites and apps and I also love doing logos and illustrations.

What I do for the web and other is a visual design. Of course I have knowledge of HTML and CSS. I can work with them. Also I like to do logo design and brand identity. In my free time i love to drawing picturesque landscapes.
