ABOUT ME

My name is Dzhenyo Dzhenev, a designer, with education in bachelor degree "Advertising" and master degree "Design of electronic publications and websites". I'm located in Sofia, Bulgaria.

I'm a designer with 9+ years of professional experience. Over the years in my career I have specialized and focused on Visual UI/UX for the Web & Desktop Apps. Time to time I'm working on logo design and illustrations.

I have basic knowledge of HTML and CSS. So I have a good understanding of Front-End as well.

WORK EXPERIENCE

Graphic User Interface Designer

Antelope Audio | Sofia, Bulgaria | 2021 – till now

Antelope Audio is a world leader in the development and production of high-end professional audio equipment for the music and film industries.

I am in-charge of designing software plugin music effects which are based old classic music compressors.

Responsibilities:

- Develop UI mock-ups for audio plug-ins in computer software

Graphic/Web/UX/UI Designer

Geocon Bulgaria Ltd. | Sofia, Bulgaria | 2015 –2021

I worked on as a Web&UX/UI Designer. They specialise mainly in Desktop Apps for employee scheduling software. They have 20+ years experience in software development, many finished projects and I was happy to work with them on a few of these. I worked on a couple of desktop, web, mobile applications and a new company brand identity.

Responsibilities:

- Develop UI mock – ups, wireframes and prototypes for desktop, web and mobile applications

- Creating icons and Illustrations
